OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 11 March 1964

25X1 1. [] Talked with George Murphy, Joint Committee on Atomic Energy staff, and told him that the Director had agreed to brief the Joint Committee on 17 March and that we would prefer to do this at 2:00 P. M. (this timing at the request of AD/SI). Murphy said he would be in touch with Chairman Pastore and would confirm this date as soon as possible, hopefully tomorrow.

25X1 2. [] Representative Sam Gibbons (D., Fla.) called to say that complete arrangements had been made for Mr. Dulles to speak to the Tampa Chamber of Commerce on 31 March. Gibbons thanked us for our assistance in this and, per our previous conversation, said he would like to visit the Agency and would be in touch with us around the middle of next week when he returns from Tampa.

25X1 3. [] After talking with [] and 25X1 Jack Leahy, State Department Congressional Relations, I advised Jay Sourwine, Senate Internal Security Subcommittee staff, that it "would create no problems for the Agency if the Subcommittee were to contact [] 25X1 However, I pointed out to Sourwine that [] 25X1 obviously is mentally disturbed and our most recent information was that he had been committed [] Sourwine thanked me for this information.

25X1 4. [] Talked with Senator Thomas J. Dodd and advised 25X1 him that [] had informed us that Representative John M. Ashbrook saw him yesterday, that they had a pleasant conversation which Ashbrook said he planned to report to Senator Eastland. Dodd appreciated this information as he was scheduled to meet with Senator Eastland this morning. I told Senator Dodd we would be interested in any information he could provide us in this connection.
